Title: _____

Please describe your responsibilities and target market: _____

Please give us a brief overview of your last 10 years employment history: _____

Please describe how you feel you will best contribute to the group: _____

Your desired group “power partners” industries: _____

Should I be extended an offer of membership, as conditions for continued membership, I agree to the following and also recognize that failure to adhere to these conditions will result in my being asked to resign my membership in the group:

1. I will attend a minimum of 75% of all group meetings.
2. I will arrive at meetings on time. Habitual lateness will result in my being asked to resign.
3. I will provide at least 2 quality leads, updates, or referrals at each meeting with a completed group “leads form”.
4. I will use my best efforts to maximizing results for all members of the group.
5. I will respect member and lead source anonymity as the standard, not the exception, regarding any information obtained as a result of being a member of the group.
6. Members will not actively solicit business from other members without an express invitation from that member. We do encourage members to allow other members the opportunity to earn their business much as any other company would need to do.
7. I will never share information received as a result of this group with any other leads organization or individual.
8. I will not allow any other individuals access to the group’s CRM database.
9. Failure of either me or my company in conducting itself in a professional manner will result in termination of my membership. I agree to represent only **one company** and **only one industry classification** at the group and understand that a change in employment may result in a termination of my membership. First right of membership will typically fall to the party paying for dues if there is a conflict.
10. Dues are payable prior to the beginning of a new quarter. Failure to remit on time, without prior authorization, will result in my immediate termination from the group. Current dues are \$1,200 annually for Networks! Boise and are payable in advance on a quarterly schedule.
